

# EU CITIZENS IN THE UK

## Support and Advice for EU communities in the UK

### Free advice surgeries

Free in-person or online **one-to-one consultations on EU Settlement Scheme** with a lawyer for citizens who cannot find help in any other way. **Local authorities, embassies, consulates** or **citizens' support organisations** can request these sessions on behalf of individuals in need of help.

### Free information sessions

Free in-person or online sessions on the EU Settlement Scheme for communities or professionals delivered by lawyers.

### Free expert advice sessions

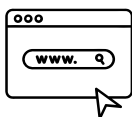

Our lawyers can provide **expert advice sessions online or in-person to Local Authorities, non-profits and charities, and community support organisations** on the EU Settlement Scheme and alternative immigration routes EU citizens need to secure their rights in the UK.

### To book a session

For more information on our requirements for each session, and **to book a session:** <https://eucitizens.uk/services/event-support/> or contact our legal partners **Seraphus** at [info@seraphus.co.uk](mailto:info@seraphus.co.uk)

### Website

The EU Delegation has an online hub providing information and resources on the **EU Settlement Scheme** and the **post-Brexit immigration system** for EU citizens in the UK <https://eucitizens.uk/>

### Wider Support

The EU Delegation chairs the **Citizens' Rights Monitoring Network**, consisting **60+ civil society stakeholders and all EU/EFTA embassies** to detect issues affecting EU citizens living in the UK. The EU Delegation launched, and co-hosts, the **EUROMECC Monitoring Network** which focuses on the challenges faced by ethnic minority EU citizens and their family members in the UK.
